You'll be receiving the artwork for episodes 6, 8, 9, and 10 in a few weeks.

In addition to the episodic artwork I have enclosed fresh generic artwork for your use. Included is a shot of Slomo (the robot), a Brogan (Ted Shackelford) family portrait and a headshot of series producer Gerry Anderson.

AN UPDATED TELECAST SCHEDULE IS INCLUDED FOR YOUR USE. PLEASE SHARE THIS WITH YOUR PROGRAMMING DIRECTORS.

Also, a friendly reminder that the promos are fed during the first 15 minutes of the first satellite feed each week. Make sure your tech department knows that the Space Precinct feed is one hour and 15 minutes in length. This feed occurs every Wednesday from 11:00AM - 12:15PM Eastern Time.

I'm here to help so call me if you need me. Many thanks!!
